

# Activity Book

Recommended For Ages 5-12 and Sweeper Drivers

Here at Nite-Hawk we work hard,  
but also play hard. In this industry  
it's essential to have a good sense  
of humor to put up with the garbage  
(pun intended). That's why we think  
one of our advantages is that we  
like to have fun. If you've been  
working too hard- you deserve a  
break! Try any of these activities  
and enjoy yourself.
