ROAD TRIP ESSENTIALS

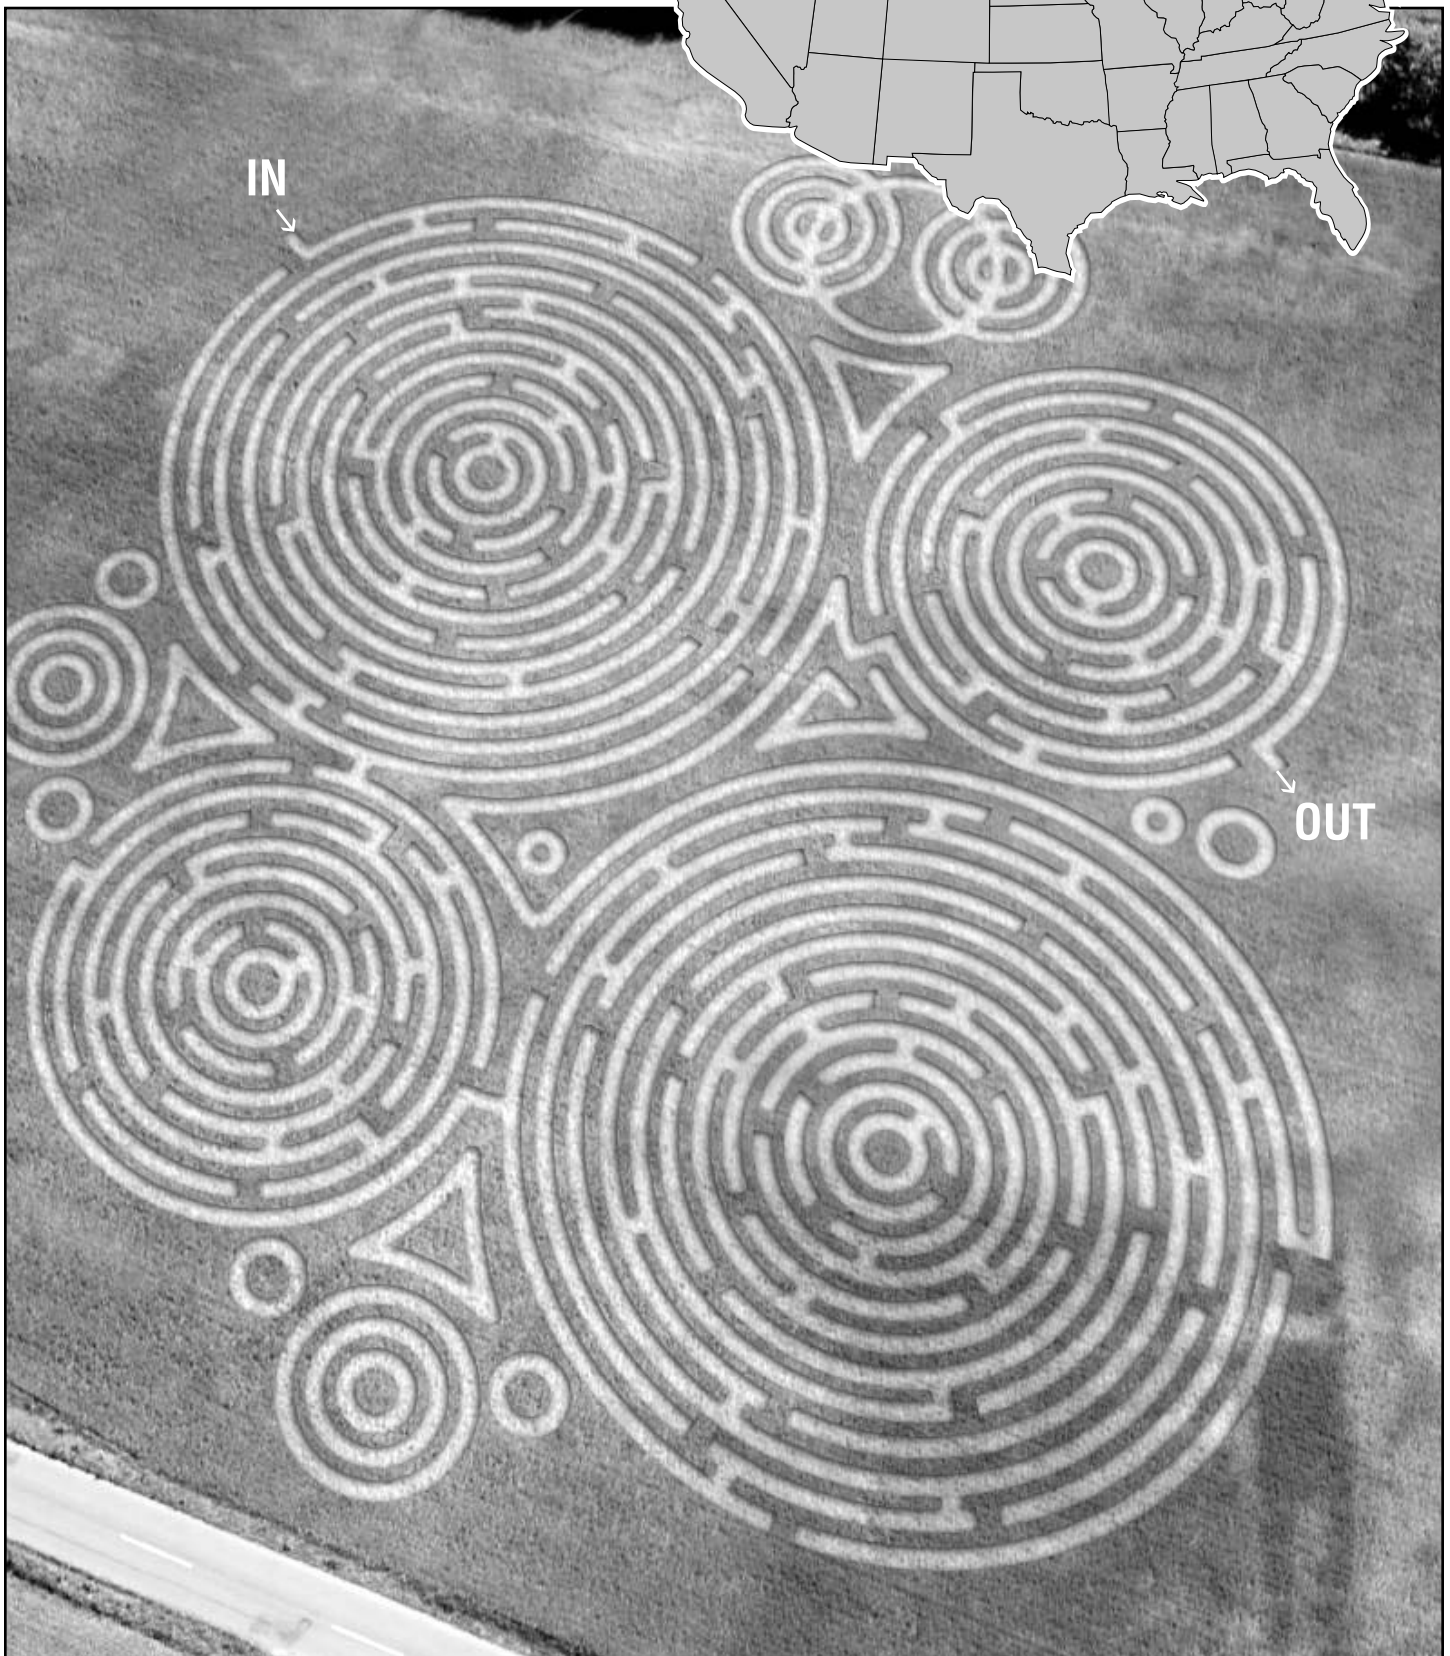

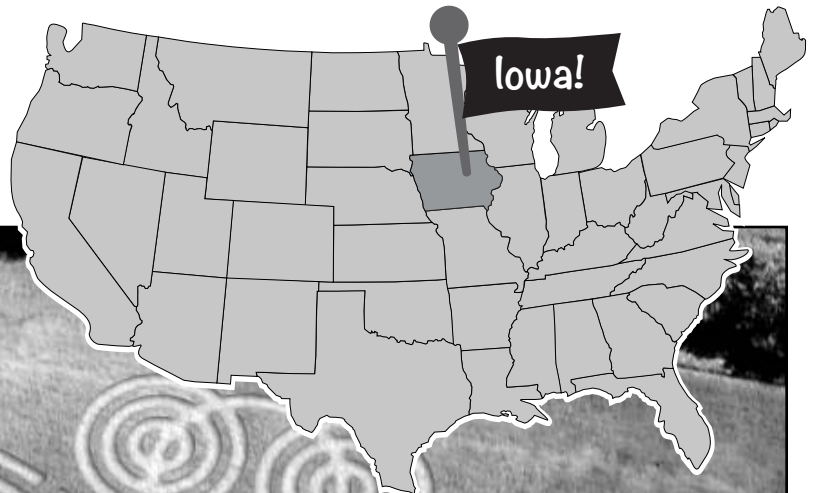

When you hit the road, make sure you take along these road trip essentials. Which 1 item **does not** appear in all 4 boxes below?

The deodorant doesn't appear in one of the boxes... better not forget that!

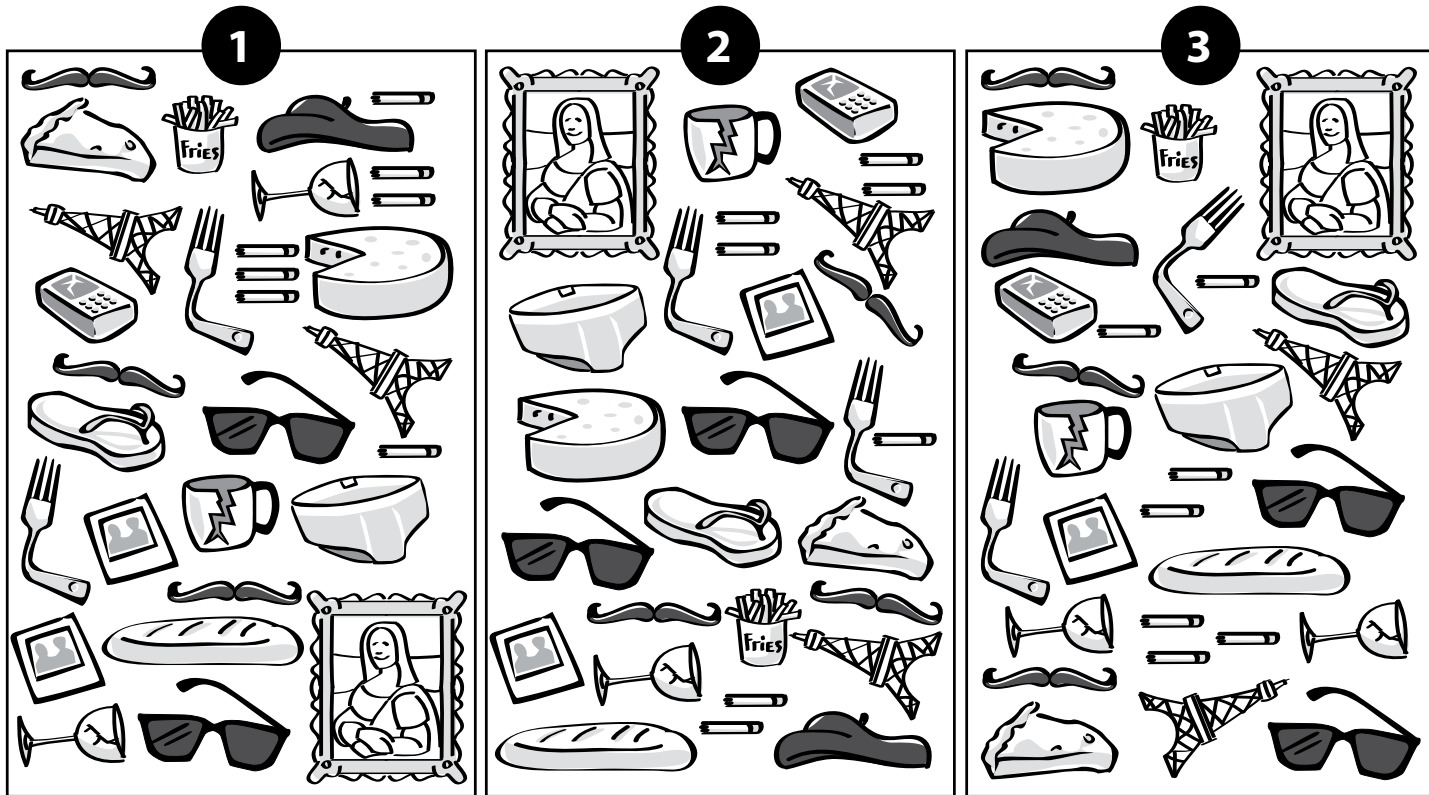

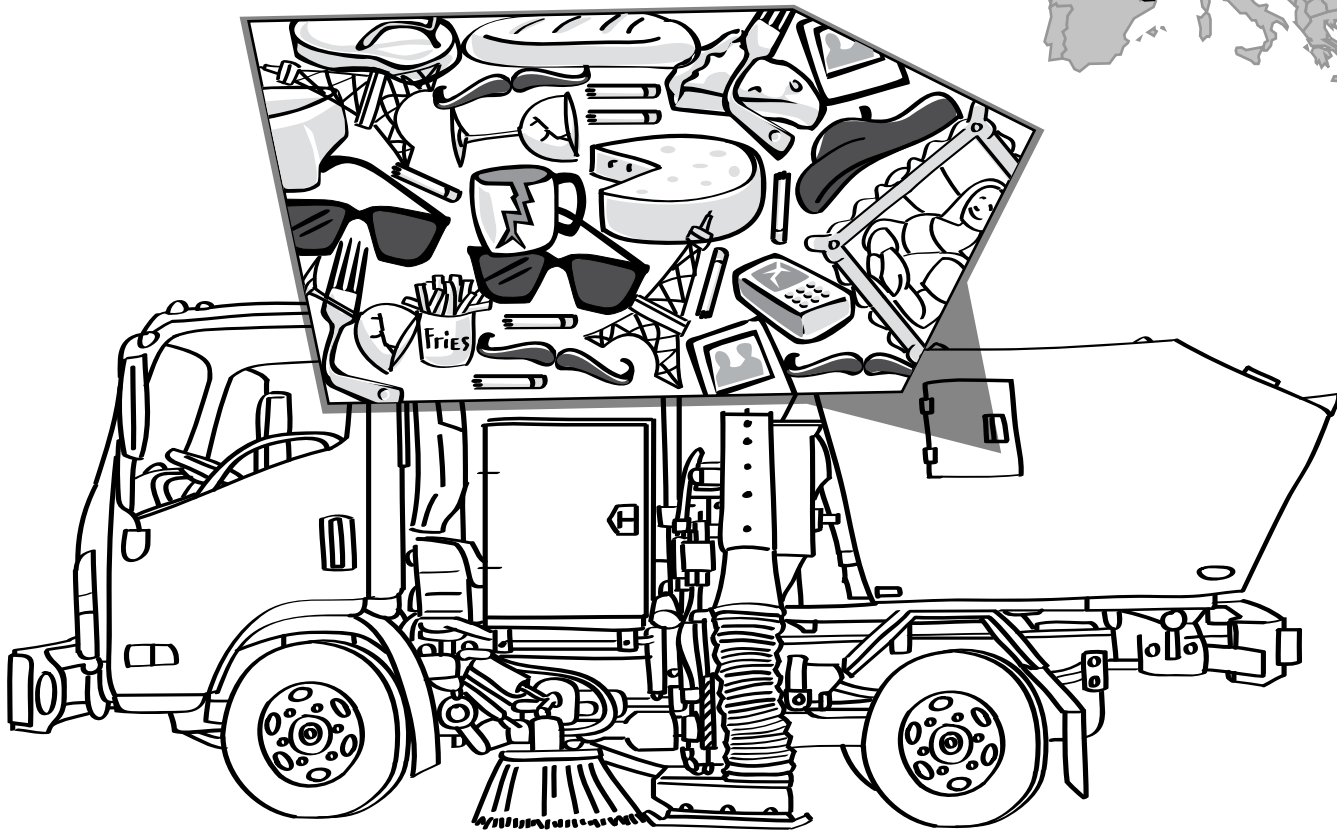

CROP CIRCLES IN IOWA

While visiting Iowa your NiteHawk Sweeper gets stuck in a crop circle. Help find the way out!

00000 LA LA, DES ORDURES!

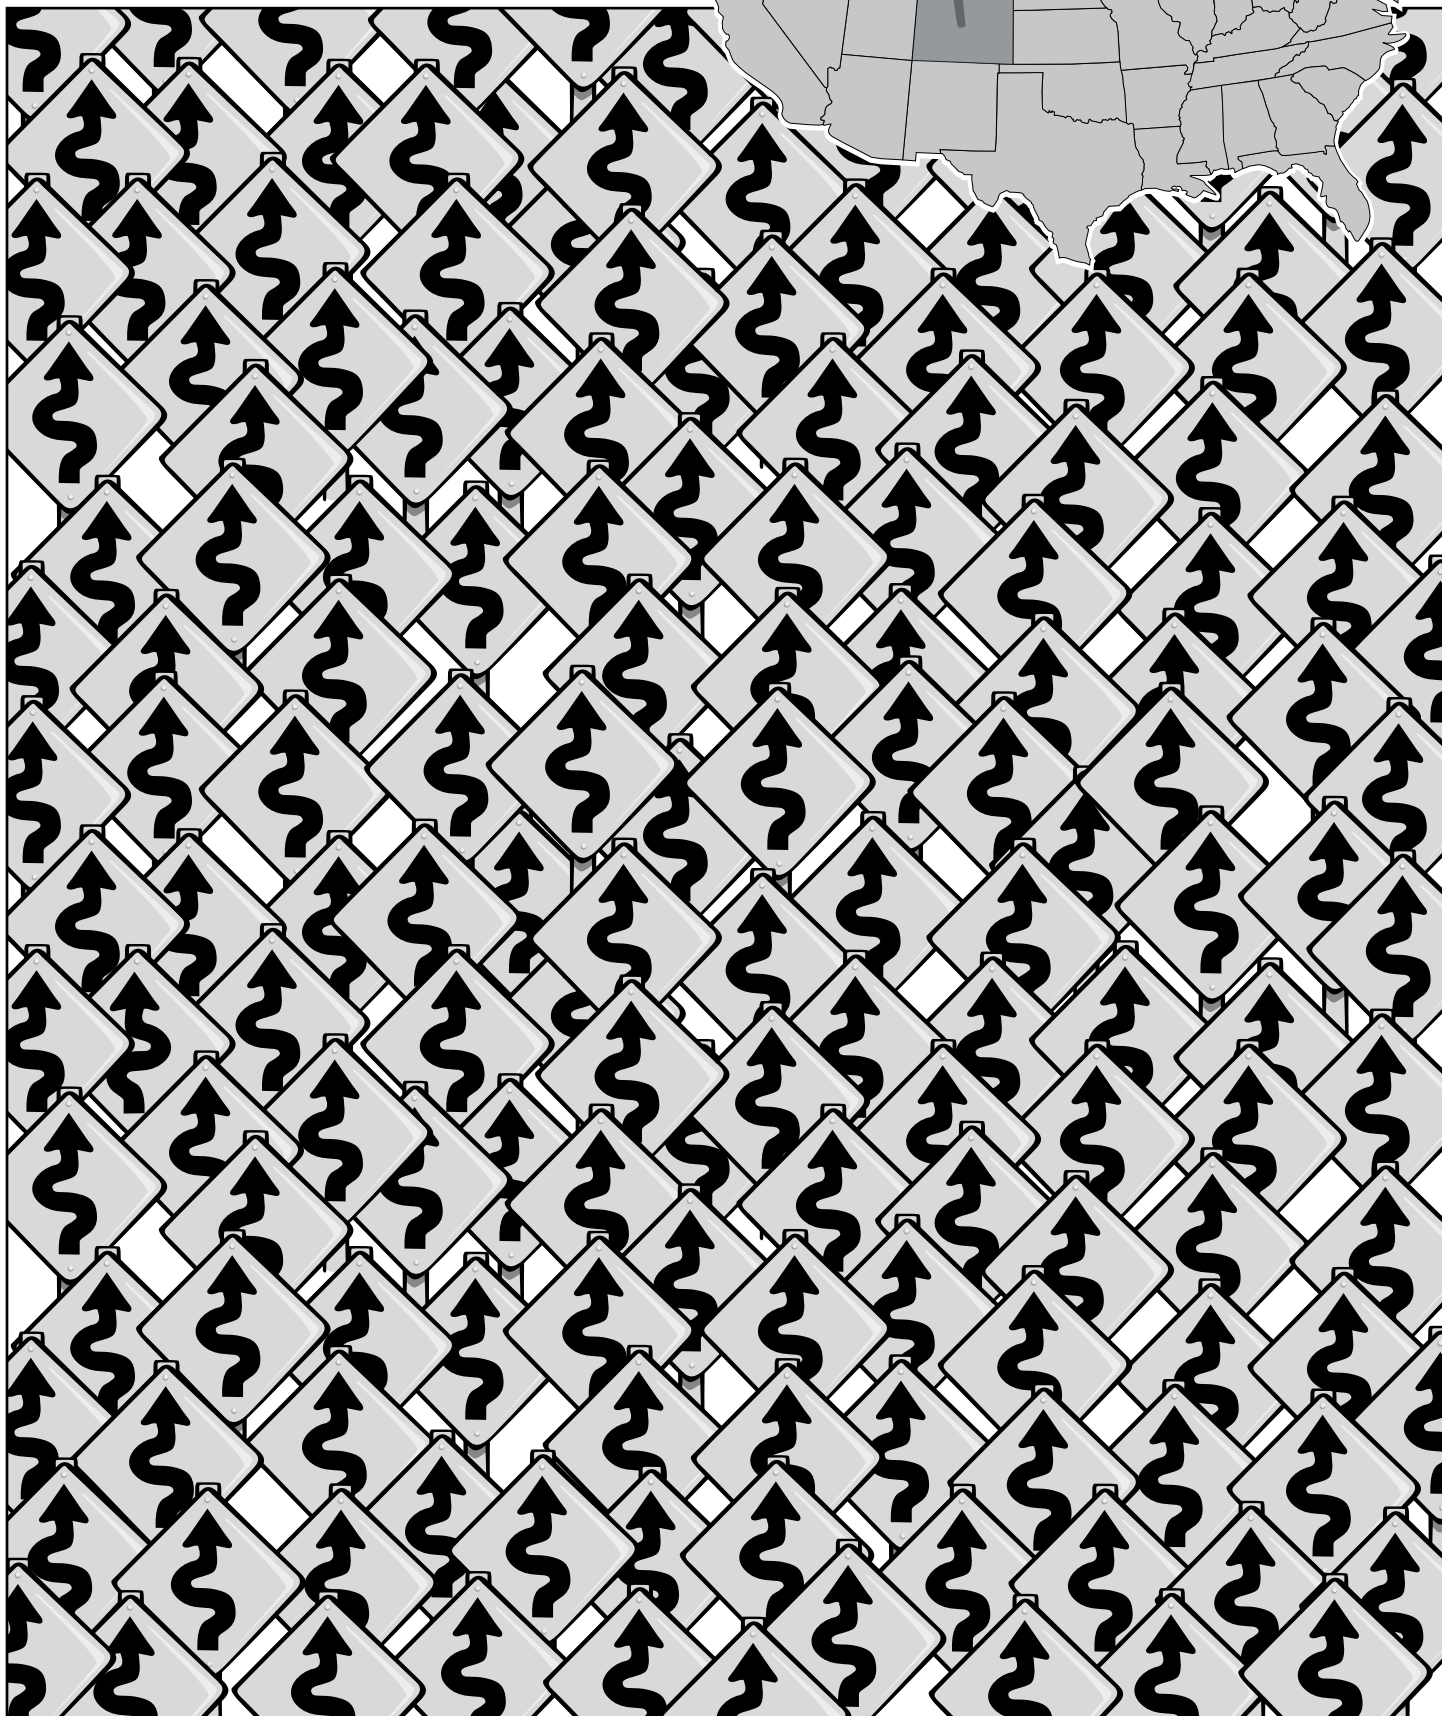

That's French for "fancy, fancy garbage". Looks like your NiteHawk Raptor picked up some Parisian "souvenirs" while sightseeing. Can you identify the box below that has the same contents as in the hopper?

Box number one is the correct answer.

S-CURVES AHEAD!

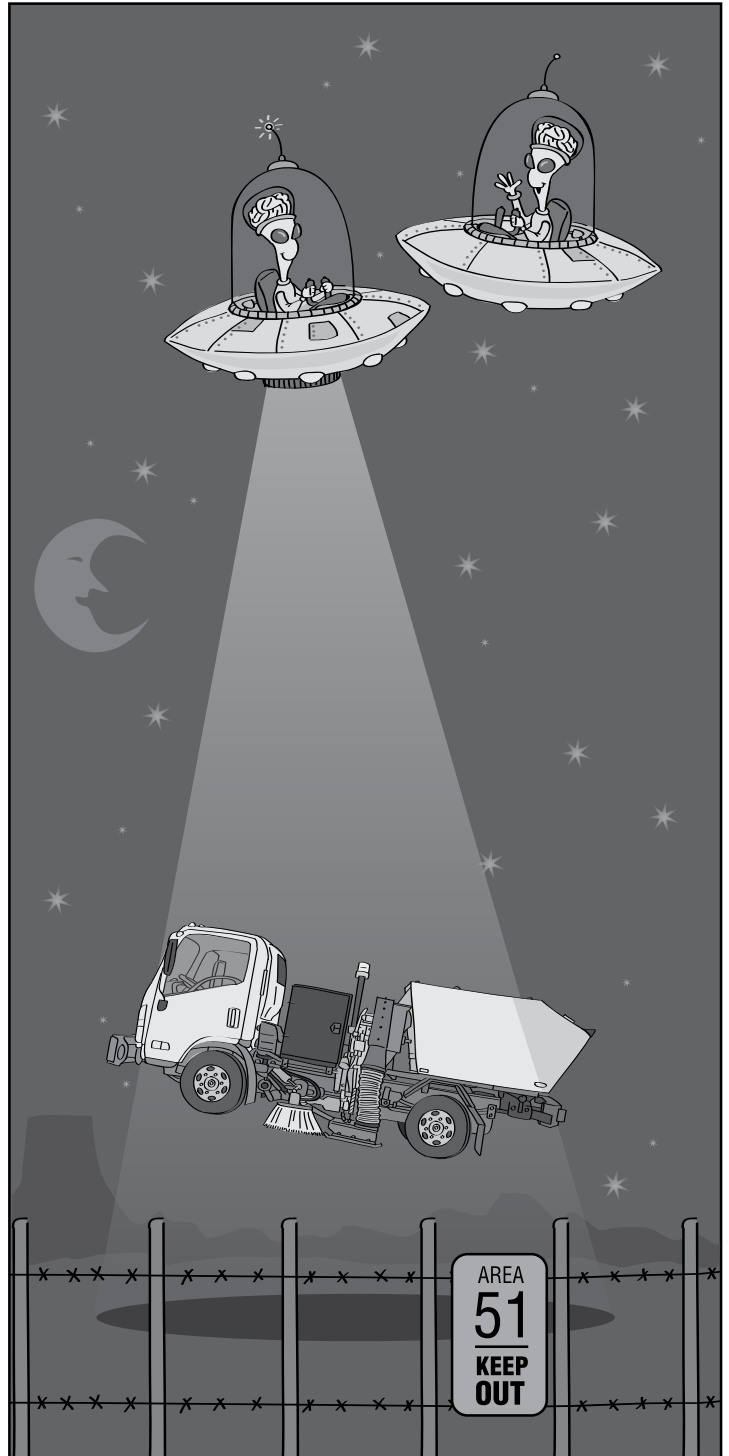

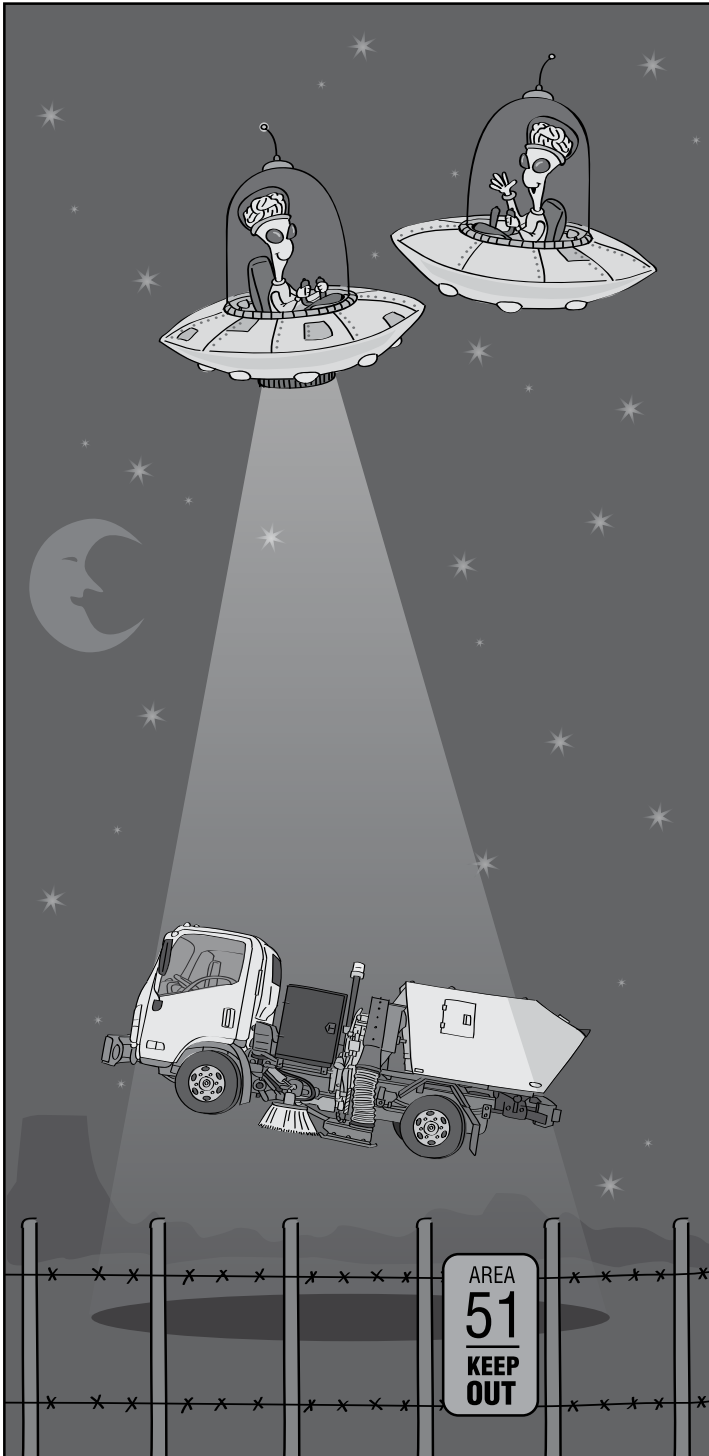

All that driving in the Rocky Mountains of Colorado has made you feel a bit dizzy! Can you find the S-curve sign that is different from the rest?

The correct s-curve sign is approximately six up from the period at the end of this sentence.

WHAT'S THE DIFFERENCE?

You've had a close encounter in Nevada but can you find the 8 differences between these images?

1. Blinking light on first UFO
2. Missing lights on 2nd UFO
3. Missing patch on first UFO
4. Extra barb on wire
5. Missing star
6. Missing patch on first UFO
7. Seat height different on first UFO
8. Missing finger on alien
