

A NITEHAWK SWEEPERS PRODUCTION

BACK TO THE SWEEPER

2020 Activity Book
Fun for All Ages!

Here at NiteHawk Sweepers we love movies! That's why we created this activity book — we wanted to have fun with our favorite characters and elements from the big screen. We hope you enjoy the many activities in this book... and if you happen to need a new sweeper, we hope you choose a NiteHawk.

Unprecedented Activity Book for Unprecedented Times

Dear Friends,

As we navigate this unprecedented time it's important to keep our spirits up! Whether you are Social Distancing, Quarantining, Sheltering in Place, Staying Safe Stay at Home, or whatever else you've been asked to do, NiteHawk is here to help! We know it's tough for everyone out there. Experts agree that staying upbeat can have a positive effect on our health, so let's have a little fun.

Families are doing online schoolwork, spring cleaning, binge watching, video chatting, and creating new ways to interact, without...um...interacting. So we thought we would do our part and release our famous (or infamous) Activity Book a bit early to our sweeping friends, and we've added a few tweaks these last several weeks that seemed timely.

We hope you and your family will have fun with our wacky publication. Feel free to send us your awesome sweeper designs or other unique ways you are staying occupied. We would love to hear from you! And you never know, we may even send out a piece of swag or two to the best activity book submissions! Until next time enjoy the movies!

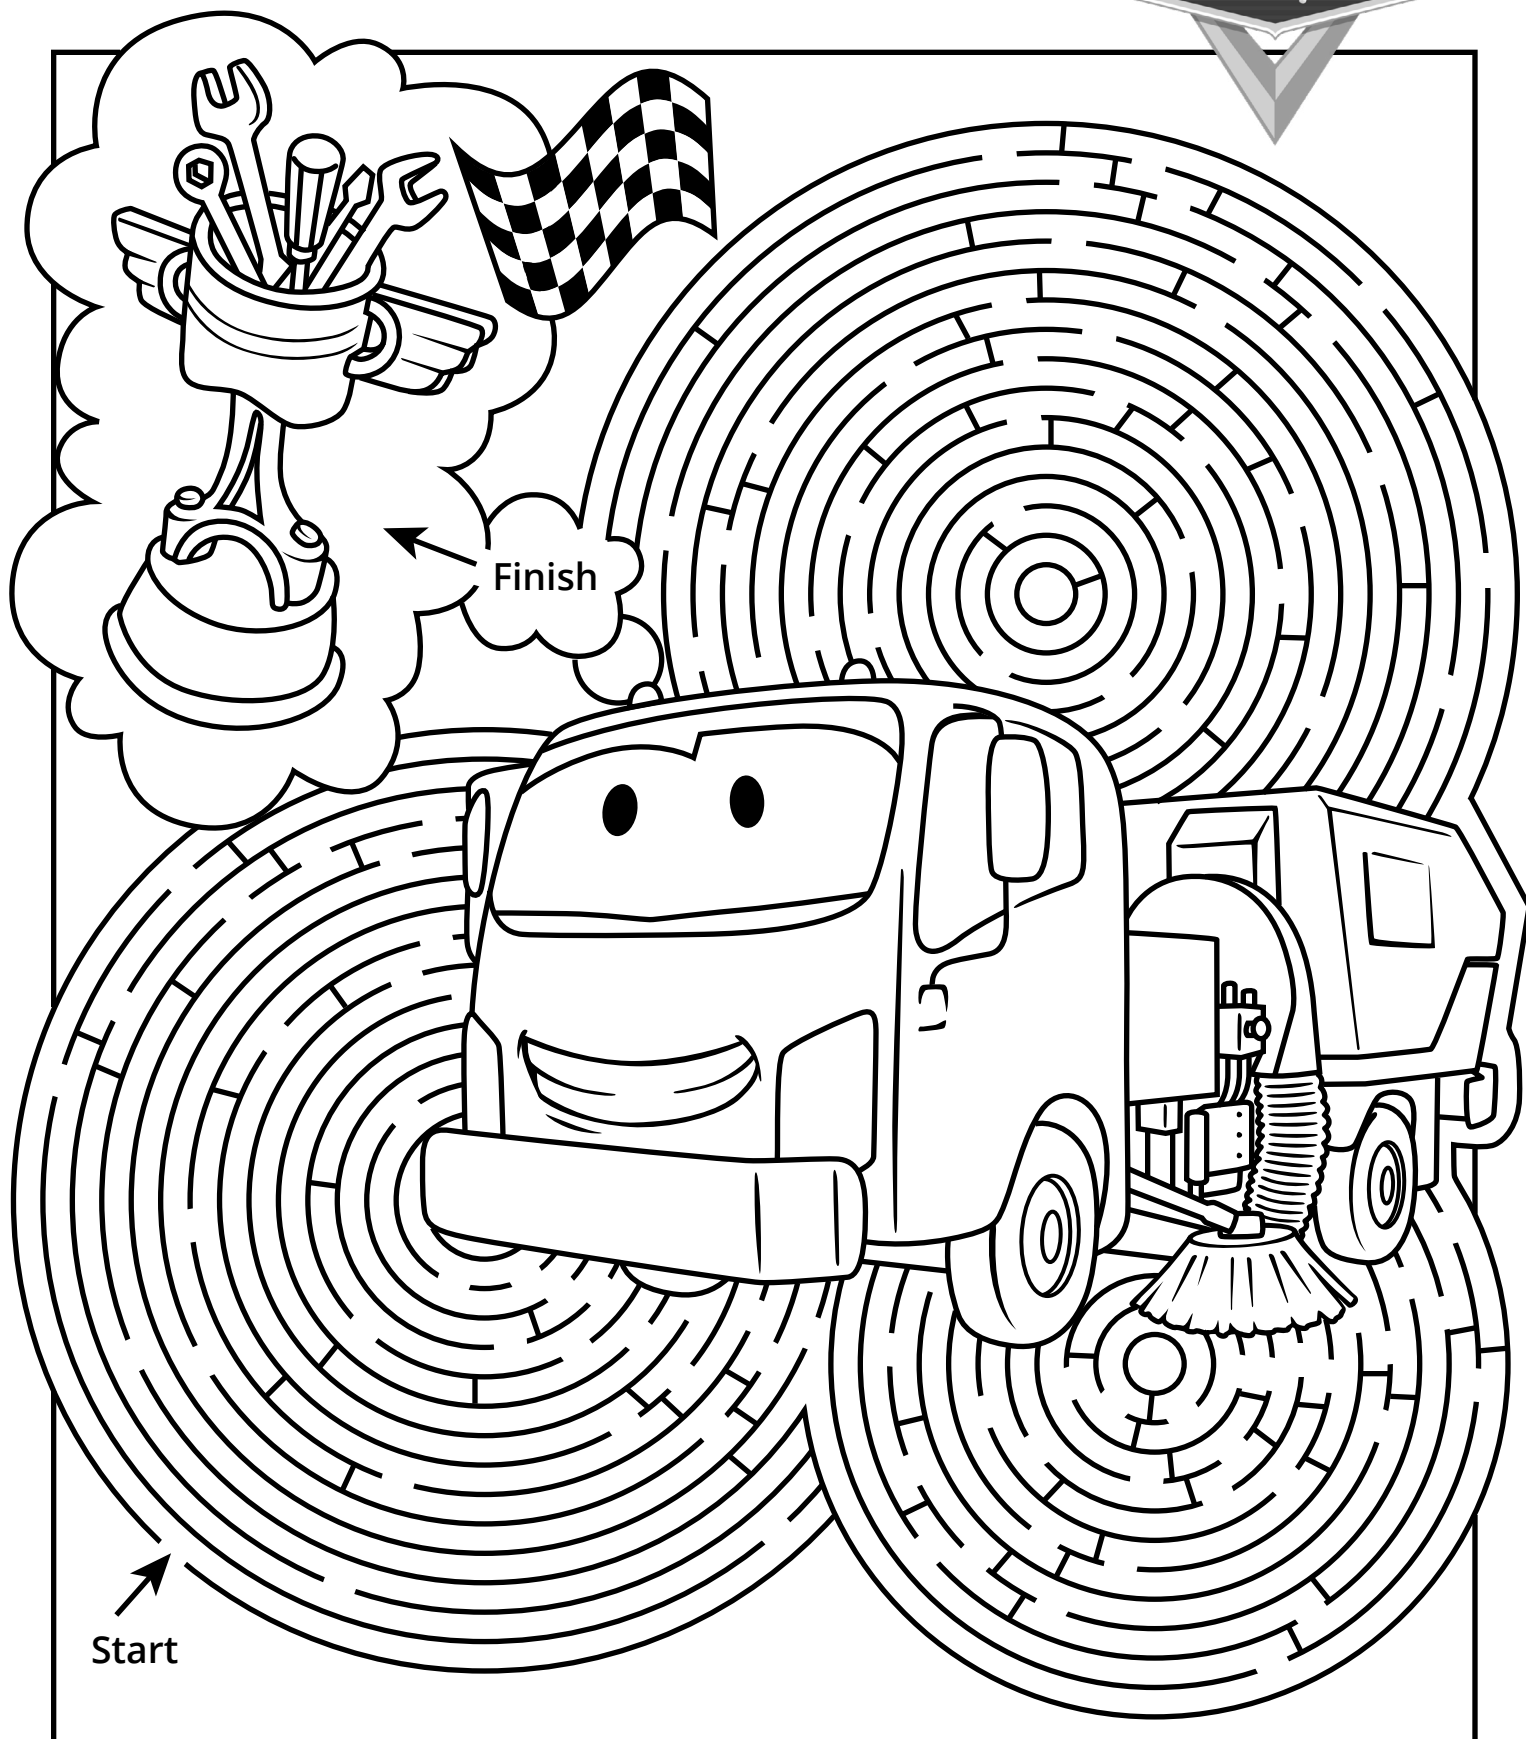

Stay Safe and Stay Healthy,

Tracy Day

President NiteHawk Sweepers
