

Building Cleaner, Healthier Communities Together

Partnering with Public Works Professionals for a Brighter Future

Public works professionals are the unsung heroes of our cities and towns, working tirelessly to create safe, clean, and beautiful environments. We know the challenges you face and the high standards you uphold. That's why we're here to partner with you, offering advanced technology and reliable performance that align with your mission.

At NiteHawk Sweepers, we recognize the dedication and perseverance it takes to maintain vibrant, healthy communities. Your commitment to sustainability, excellence, and innovation inspires us to provide the best solutions to meet your needs.

Our hybrid sweepers are engineered to reduce emissions, conserve fuel, and operate quietly, ensuring you can perform your duties efficiently and sustainably. Together, we can achieve cleaner streets, quieter neighborhoods, and a brighter future for our communities.

Contact us today to schedule a demo and see how NiteHawk Sweepers can help you achieve your community's goals.

Why Choose NiteHawk Sweepers?

- **Environmental Leadership:** Our hybrid sweeper technology reduces emissions and fuel consumption, helping your city meet sustainability goals
- **Quiet Operation:** Reduce noise pollution and create a more peaceful environment for your citizens with our quieter hybrid operation.
- **Superior Performance:** Experience powerful cleaning capabilities and unmatched efficiency, getting the job done faster with less fuel.
- **Innovative Technology:** Stay ahead with our cutting-edge hybrid solutions, designed to provide future-proof performance.
- **Cost Savings:** Lower fuel consumption and reduced maintenance costs translate to significant savings for your municipality.
- **Durability & Reliability:** Built to last, our sweepers ensure minimal downtime and continuous service.
- **Agile Maneuverability:** Easily navigate tight spaces and urban environments with our agile sweeper design.
- **Sourcewell Contract:** Benefit from streamlined purchasing through our Sourcewell contract, leveraging the national buying power of over 50,000 member agencies for competitive pricing and simplified procurement.
